Take It to the Grave Part 3 of 6
Oct 27 2022 Everyone should know what you did Sarah Taylor-Cox has received two threatening notes—notes which threaten to destroy everything she holds dear. Just getting through the days is a

struggle—the cracks in her marriage are becoming ever more visible, her protectiveness of her baby is becoming overbearing...and the arrival of her sister, Maisey, along with her estranged mother and stepbrother, is certainly not helping matters! For Maisey, watching the sister she's always looked up to struggling to stay sane is heart-breaking. She's determined to help, but being around family is unearthing long-buried memories, memories which Maisey hasn't let herself think about in years. And one particular echo from the past won't stop reverberating in her head...the cry of a frightened

child. "A growing sense of menace creeps through every page, leading to a nail biting final part!" — USA Today bestselling author Sue Fortin "A clever, creepy family drama, the tension builds and builds to the explosive end. Secrets, lies and scandals...you'll never guess the truth!" — New York Times bestselling author J.T. Ellison "Zoe Carter keeps the twist coming in this tale of two sisters whose dark pasts are slowly coming unraveled. Sarah and Maisey are holding tight to a shocking family secret, and now an anonymous stranger is threatening to tell. An engaging story of lies, closet skeletons, and betrayal." — USA TODAY bestselling

author Kimberly Belle, author of The Marriage Lie Part 3 of 6: a riveting new installment in this darkly compelling psychological thriller
