IELTS is also increasingly used for immigration purposes, with many countries requiring visa applicants whose first language is not English to submit an IELTS grade. Usually, students must gain a good mark in all four skills in order to gain entry to the course, job, or country of their choice. For this reason, candidates will often sit the exam numerous times to secure the score that they need.

- 2 Listening: This module is in two

parts. The first part engages students in a topic and pre-teaches key vocabulary, before focusing on a key skill or particular IELTS exam technique. The second part practises the skill. 3 Reading: As with the Listening Module. 4 Writing: This deals with both parts of the Writing test, each unit focusing on a different writing skill or writing technique. There is a focus on guided writing, with model compositions for all writing tasks. 5 Consolidation and Exam Practice: The first part revises the speaking focus and vocabulary in the first module. The second part practises listening, reading or writing skills under exam-type conditions. The course also includes end-of-section review material. See accompanying Teacher's Book.
